

A DAY AT EMERALD BAY, LAKE TAHOE WITH THE LSV/NEV GROUP

Tuesday, June 24 was filled with great anticipation for the thirty five members of the LSV Group that headed out under grey, smoky skies of Lincoln Hills for some beautiful skies of sunny Lake Tahoe. But, it didn't happen right away! The smoky skies were up there also. In Tahoe City the paddlewheel ship "Tahoe Gal" was boarded for a 3 ½ hour narrated cruise to Emerald Bay. As the day went on the sun came out and the lake turned blue just before entering Emerald Bay, where we learned interesting information about Vikingsholm and Fannette Island, the only island on Lake Tahoe. After the cruise the group enjoyed a scrumptious dinner overlooking the lake, on the outside deck at Sunnyside Resort Restaurant.

The group thanks Judy Trokey for planning and coordinating this wonderful trip that went like clockwork from start to finish. On the way home Judy had treats for everyone, and then the bus turned quiet for awhile when most took a snooze and dreamed of their happy day trip!
