LINCOLN HILLS LSV/NEV GROUP MEMBERSHIP MEETING MINUTES TUESDAY, JUNE 17, 2008 - KS LODGE PRESENTATION HALL

The meeting was called to order by Vice President Roger Oldenkamp at 10:06 AM. The Pledge of Allegiance to the Flag was led by Bob Nawman. There were 66 people in attendance. New members and guests were welcomed and requested to rise and introduce themselves.

The meeting program featured a talk by Miki DeZorki, new owner of Electric Car Living of Rocklin. As a dealer of the ZAP electric car products, she presented interesting power point facts about the Big Man models, prices, advantages, mileage expectations and future plans for other services. Many questions from the audience covered a plethora of details. Miki stated the State of California is offering a \$1,000 rebate following the purchase of the electric car. The Electric Car Living dealership is located at 6539 Five Star Boulevard in Rocklin. Their website is: www.electrincarliving.com It was a very energetic and interesting presentation.

Wendy Powell of Home Depot Lincoln, explained their plans for a special LSV/NEV car show display to be held at the Home Depot garden shop parking area on **Saturday, July 12 from 10 AM to 1 PM**. All members are requested to bring their NEV's and support this show to allow other Lincolniters and neighbors to see and test drive our vehicles. It is important that we continue to educate our city people on the value and advantages of driving a NEV. Please call Larry Schurr at 543-5320 if you have questions about this show.

We will be participating in the **Lincoln 4th of July** Parade this year, and anyone who would like to drive their NEV in the parade please contact Roger Oldenkamp at 434-6585 between **Noon and 4 PM only**. Feel free to decorate your vehicle for the parade in the patriotic spirit.

Friday, June 27, the Highway 65 Bypass Ground Breaking ceremony will be held behind the new Holiday Inn Express Hotel starting at 10:00 AM. Our group has been asked by the city to assist with shuttling people **from the hotel parking area sites** to the ceremony site. Please meet **at the parking lot** to help with this. We encourage you to participate and show the community our willingness when called upon for assistance.

Last, but not least for July events, the **Friday July 25 GEM Appreciation Day** will be held at the Mc Bean Park Pavilion parking lot areas, as in the former years of this once a year event. This inspection clinic will be performed by the maintenance staff from the GEM headquarters office in Fargo, North Dakota and is always a huge success. A fee of \$25 for the check up will be incurred, a real value for a professional inspection. Make your appointment for a maintenance check **early** by calling Roger Oldenkamp 434-6585, **ONLY** from 12 Noon to 4 PM.

Paul Ternullo, chairperson of the Tire Survey Report Committee presented very detailed information that was compiled by the committee volunteer members for the LSV/NEV group. The report contains information on 'reading tires', on wear and tear and their causes. Printed copies of the report for THINK and GEM NEV's

were available at the check-in table for members to keep for a reference. This report will also be available on the LSV/NEV Group website for all members to review and for reference.

Gerry Lammeding Day Trips Coordinator reminded everyone of the June, July and September day trips being planned, and to sign up as soon as possible.

Diane Maker, Social Events Coordinator presented information about the **August 14th, Catered Lunch**. The theme will be "The Crazy Hat Day". As a fun idea, for those who wish to participate, wear a crazy hat; however it is not a requirement to wear a crazy hat if you wish to attend the luncheon event. The menu for the lunch is noted on the invitation flyer obtainable at our membership meetings. Call Diane Maker for reservations 408-3797.

As there were so many questions presented during the course of all of the reports and presentations of this meeting, there was no Q and A time allowed for the remainder of the meeting.

Members were reminded the **July 15 pre meeting coffee** would start at **9:00 AM** at the KS Lodge Social Hall, followed by the monthly membership meeting at 10:00AM at the KS Lodge Presentation Hall.

There being no further business, the meeting adjourned at 11:40 AM.

Respectfully submitted,

Lillian Nawman
